Re: APWA Fox Valley Branch Sustainable Design Seminar

Dear Mr. Kapusta:

On behalf of the Education Committee, Fox Valley Branch of the APWA, we thank you for making our sustainable design seminar a success. We applaud you and your firm for volunteering your time. In excess of 50 people attended the seminar from various governmental organizations and consulting firms in the Chicago land area.

These sessions provide continuing education to our membership and the community at large. Proceeds from the session, approximately \$2000, will be contributed to APWA Fox Valley Branch's scholarship fund.

Thank you for making this session a success!

Very truly yours,
